

PRIMARY TEACHER TRAINING TASTER DAY Wednesday 22nd February, 2012

Are you considering a career in primary teaching?

Do you want to train with a provider that:

offers trainees opportunities to experience outstanding practice;
provides high levels of personalisation and support;
is 5 minutes walk from Westfield Centre and the Olympic Park;
offers enhanced training in the teaching of reading.

Then why not come and find out about school-based training opportunities in Newham.

SCITTELS is a consortium of over 25 nursery and primary schools in Newham and neighbouring boroughs that combine to provide top quality Graduate Teacher (GTP) and Professional Graduate (PGCE) courses.

The Graduate Teacher Programme is an employment-based route into teaching and is most suitable for those who already have considerable school/teaching experience.

The PGCE is a one year, full time course which allows greater balance between lecture and school-based sessions.

To find out more, why not attend our next 'Taster Day'. This event is free of charge, but you must apply for a place.
